TALLAHASSEE GARDEN CLUB STANDING RULES

ARTICLE I – AUTHORITY

These Standing Rules are authorized in Article II, Section 6 of the TGC Bylaws adopted March 2015. Rules complement, but do not replace or conflict with, the duly adopted bylaws of the Tallahassee Garden Club (TGC).

ARTICLE II – ROLE AND PURPOSE

Affiliated with both the Florida Federation of Garden Clubs (FFGC) and National Garden Clubs, Inc. (NGC), TGC may work diligently to inform and support charitable, educational and scientific issues that would further the knowledge of members and the public.

TGC is an issues-oriented organization that does not oppose, support or endorse individual candidates for any local, state, or national office. Campaign signage or appearances at the Garden Center, or monetary contributions from TGC's treasury are strictly prohibited. Individual members are encouraged to fully participate in the democratic process for local, state, and national elections with their individual time, talents, and fiscal support but may not suggest, nor imply, any endorsement, opposition, or support from TGC when doing so.

ARTICLE III – MEMBERSHIP

Part A – Membership Fees and Categories:

Only those who have paid the appropriate membership dues in a timely manner may claim to be, and be recognized as, members of TGC.

Section 1 – Annual membership fees are as follows:

- Individual dues, active or associate member: \$40.00;
- Family dues, active or associate member: \$65.00;

- FFGC Life Member, family dues (one Life member): \$53.00;
- FFGC Life Member, family dues (two Life members) \$51.00;
- Affiliate members: \$100.00.

Dues are paid each year to the Circle Treasurer. Circle treasurers remit all dues collected to the TGC Treasurer by April 30 of each fiscal year. Dues are allocated as follows:

- \$40 dues shall be distributed \$12 to FFGC, \$1 to District III, \$12 to the TGC and \$15 to the Garden Center Maintenance Fund
- \$65 dues shall be distributed \$14 to FFGC, \$2 to District III, \$19 to TGC, and \$30 to the Garden Center Maintenance Fund
- \$28 dues shall be distributed \$1 to District III, \$12 to the TGC and \$15 to the Garden Center Maintenance Fund
- \$53 dues shall be distributed \$2 to FFGC, \$2 to District III, \$19 to TGC, and \$30 to the Garden Center Maintenance Fund
- \$51 dues shall be distributed \$2 to District III, \$19 to TGC, and \$30 to the Garden Center Maintenance Fund
- \$100 dues shall be distributed \$35 to FFGC and \$65 to TGC

In the event that the \$15 designated for the Garden Center Maintenance Fund would cause a financial hardship on a member of the TGC who has 20 or more membership years and who is at least 80 years of age, such member may be

exempted from paying the \$15. This section takes effect upon approval of these Standing Rules. Members receiving this exemption prior to this adoption date retain their exemption as long as they fulfill the requirements under which their exemption was originally granted.

Section 2 – Membership Categories:

Membership is by application, either to the club as a whole or through an individual Circle.

- a. Members are accepted and encouraged to join at the Circle level for maximum educational benefits to the members.
- b. Members are designated as either voting or non-voting based up the definitions found in the current Bylaws.
- c. Completed applications are filed with the First Vice-president (TGC Membership Chair).

Part B – Circles:

TGC membership, organized on the circle plan, is composed of constituent circles under the direction of the governing body of TGC. Circles establish their operational procedures through adoption of Standing Rules for their circles, aligned with the bylaws and rules of TGC. Circles establish their officers each fiscal year from the Active members within their circle in accordance with their own Standing Rules. Circles meet monthly between September and May at a time and place established by the circle membership. Circles may meet more frequently if desired, but must meet at least eight times within those nine months for their members to be considered active.

Section 1 -- At a minimum, each circle must determine a Chair, Secretary, and Treasurer by March 31 of each fiscal year and report the contact information for them to TGC. The number of annual terms allowed for circle officers is also designated by each circle in its rules.

- a. The Circle Chair conducts meetings and leads activities of the Circle. The Chair for each Circle is a designated member of the TGC Executive Board. As such, the chair represents the circle's membership, through attending, voting, and participating in all Executive Board meetings and activities on behalf of the Circle. The Chair is designated as the general contact for information dissemination from TGC to members when a specific contact person is not listed or available.
- b. Circles may designate Co-Chairs or Vice Chairs instead of, or in addition to, a single chairperson to fulfill the functions of Circle Chair. Contact information for these circle officers is reported to TGC in the same manner as other circle officer information.

- d. The Circle Treasurer has the care and custody of all Circle-generated funds, signs checks, keeps a complete and accurate account of all receipts and disbursements, presents a current financial report at each Circle meeting, and performs other duties as may be assigned by the Circle.
- e. Circles have the authority to elect or appoint other committee or activity chairs within each Circle to carry out their work in support of the

purposes of TGC, FFGC, and NGC. Circles establish these per their own Standing Rules.

Section 2 -- Each Circle files a current copy of their Standing Rules or procedures with the Membership Chair of TGC by April 30 of each year or informs the Membership chair that no changes have been made and keeps the Membership Chair informed of any changes throughout the year. No Standing Rule, procedure, or action may contradict or violate any portion of the Bylaws or Standing Rules of the TGC, FFGC, or NGC.

Section 3 -- Newly formed Circles operate probationally for not less than one year under the direction of the First Vice-president. New Circle members are not required to pay state or district dues during the probationary period. New Circles are composed of not less than ten (10) members. Upon satisfactory completion of the probationary period, the First Vice-president may recommend full membership status for the new Circle to the Executive Board. New Circle membership must be approved by a majority vote of the Executive Board.

Section 4 – The fiscal year and fiscal policies for each circle shall follow the fiscal year and policies of TGC as delineated in the Bylaws and these Standing Rules and must remain compliant with the Club’s status as a non-profit organization.

Section 5 – Circle funds provide for philanthropic, educational and scientific programs in the community for and by the Circle members and are used to maintain the Garden Center for use by TGC members and the citizens of the community.

Section 6 -- Each Circle shall pay an annual fee on a pro-rata basis by December 31 to fund, in whole or in part, special projects of the TGC to include youth programs, garden therapy, and membership in related organizations. Circle

treasurers remit a check to the TGC Treasurer by the date stated that equals \$3.00 per circle member.

Section 4 – Both the Standing Committees noted in Article V, Part E, Section 4 of the bylaws and ad hoc committees support the work of the TGC. The President is authorized and expected to appoint chairs for all ad hoc committees of TGC, most of which are subsequently listed in the yearbook. Committees may be structured as the President deems expedient and may be required to provide updates or reports as appropriate, but no less than once per fiscal year.

Section 5 – The BOT may see the need for ad hoc or working committees to support the maintenance and upkeep of the Garden Center. The TGC President must be consulted on all suggestions regarding committee chairs and membership. Section 6 – Circles may also form internal committees by conforming to the process established in their own Standing Rules.

ARTICLE VI – PARLIAMENTARY AUTHORITY

The majority of decisions made at the circle, committee, board, or general membership levels can often be handled by simple majority via voice vote or show of hands. If there are any questions as to the validity of a decision reached in this manner at any level throughout the TGC, the process and procedures delineated in *Roberts Rules of Order, Newly Revised*, shall be applied to ensure fair and equitable treatment by and for all members.

ARTICLE VII – AMENDMENTS TO BYLAW OR STANDING RULES

Section 1 – Bylaws may only be amended at a General Membership Meeting.

Two-thirds vote of the active members present and voting are required to amend. Amendments must be presented in writing to each Circle Chair for announcement and discussion at a Circle meeting before action is taken at a General Membership meeting. Circle Chairs are expected to ensure that members are aware of and understand the effects of the proposed changes.

Section 2 – Unless otherwise noted in the bylaws, Standing Rules may be amended at any Executive Board meeting by a two-thirds vote of the active members present and voting. Proposed changes to Standing Rules would be presented in writing and explained to Circle Chairs at an Executive Board meeting and the President would direct Circle Chairs to explain the proposed changes to their Circle members at the next Circle meeting. A vote on the proposed amendment(s) would occur at the following Executive Board meeting.

ARTICLE VIII – INDEMNIFICATION

Indemnification of elected officers, trustees, or Executive Board members is given only when the conduct in question was authorized by TGC. Indemnification is extended to both current and former members serving in the capacities designated.

ARTICLE IX – DISSOLUTION

Section 1 -- In the unlikely event that the TGC is dissolved, all assets should be distributed for one or more exempt purposes under current IRS definitions or distributed to a federal, state, or local government entity for a public purpose.

Section 2 – In the unlikely event that a circle is dissolved, all assets of the Circle become the property of the TGC.

ARTICLE X – SEVERABILITY

If it is found that any or several features of these Standing Rules contradict current bylaws or Standing Rules, or that portions are illegal, invalid, or unenforceable, or that portions as written and applied would jeopardize the non-profit status of TGC, said portions will not affect the enforcement and implementation of the remainder of the document.
